

## PUBLIC NOTICE

**Hughes Hardwood International, Inc.** has applied to the Tennessee Air Pollution Control Division (TAPCD) for a [major source operating permit renewal](#), subject to the provisions of paragraph 1200-3-9-.02(11) of the Tennessee Air Pollution Control Regulations (also frequently referred to as Title V regulations). A major source (Title V) operating permit is required by both the Federal Clean Air Act and the Tennessee Air Pollution Control Regulations.

The applicant is Hughes Hardwood International, Inc. with a site address of 500 Highway 13 South, Collinwood, TN. They seek to obtain a major source operating permit for the manufacture of dry and dimensioned wood products. However, it should be noted that this facility has current state operating permits.

A copy of the application materials used by the TAPCD and a copy of the draft permit are available for public inspection during normal business hours at the following locations:

**Wayne County Public Library**  
**525 Highway 64 East**  
**Waynesboro, TN 38485-0630**

Tennessee Department of Environment and Conservation  
Division of Air Pollution Control  
9th Floor, L & C Annex  
401 Church Street  
Nashville, TN 37243-1531

Also, a copy of the draft permit is available electronically by accessing the TDEC Internet site located at:

<http://www.state.tn.us/environment/apc/ppo/>

Interested parties are invited to review these materials and comment. In addition, a public hearing may be requested at which written or oral presentations may be made. To be considered, written comments or requests for a public hearing must be made within thirty (30) days of the date of this notice and should be addressed to **Mr. Barry R Stephens, P.E., Director, TN Division of Air Pollution Control, 9<sup>th</sup> Floor, L & C Annex, 401 Church Street, Nashville, TN 37243-1531**. Questions concerning the source(s) may be addressed to Doug Warden at the same address or by calling (615) 532-0621. A final determination will be made after weighing all relevant comments.

Individuals with disabilities who wish to review information maintained at the above-mentioned depositories should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such review. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-(866)-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.
